SUPPLEMENTAL AMENDMENT

Sir:

This Supplemental Amendment follows a recently mailed Amendment/Response mailed to the USPTO on June 29, 2004. The recently mailed Amendment/Response was timely filed (with third month extension fee under Rule 1.136(a)) and answered every point of objection and rejection in an Office Action mailed 12/29/2003. This Supplemental Amendment requests further amendments to the Specification of the application. A few additional arguments and remarks are also respectfully submitted.

Please amend the application as follows:

Amendments to the Specification begins on page 2 of this paper.

Remarks/Arguments begins on page 8 of this paper.

Conclusion begins on page 10 of this paper.
